

WE ARE LOOKING FOR...

Junior Research Technician

The Institute

The Institute of Biomedical Research of Lleida, Dr. Pifarré Foundation (IRBLleida) was created with the aim of creating synergies between basic, clinical and epidemiological research, making biomedical research a key driver to improve current clinical practice. IRBLleida covers a chain of translational research, from basic research, aimed at understanding the physiological and pathological mechanisms of the human body, to research that studies the behavior of diseases in large population groups.

IRBLleida was founded in 2004 through a collaboration agreement between the University of Lleida (UdL) and the Catalan health system. IRBLleida integrates research groups from the faculties of Medicine and Nursing and Physiotherapy of the UdL. On the other hand, we incorporate research groups of:

1. The Catalan Health Institute ([ICS](#)) both at the hospital level (Arnau de Vilanova University Hospital -[HUAV](#)) and the primary healthcare of [Lleida](#) and the [Alt Pirineu-Aran Health Region](#),
2. The healthcare provider [Gestió de Serveis Sanitaris \(GSS; Santa María University Hospital -HUSM, Pallars Regional Hospital](#) and [Mental Health](#), among others).

IRBLleida has been a CERCA institute since 2013, and as such is organized according to a model of good governance and operation that guarantees efficiency, management flexibility, talent attraction and promotion, strategic planning and executive capacity.

It is also one of the 34 Spanish Health Research Institute ([IIS](#)) recognized by the [Carlos III Health](#)

[Institute](#) and the Government of the Generalitat, as established by Law 16/2003, of 28 May, on the cohesion and quality of the national health system.

In December 2014, the Lleida Biomedical Research Institute's received the '[HR Excellence in Research](#)' logo from the European Commission. This is a recognition of the Institute's commitment to developing an HR Strategy for Researchers, designed to bring the practices and procedures in line with the principles of the [European Charter for Researchers](#) and the [Code of Conduct](#) for the Recruitment of Researchers (Charter and Code).

HR EXCELLENCE IN RESEARCH

Please, [check out our Recruitment Policy](#)

Professional profile of the person hired:

Junior Research Technician

Requisit Requirements (excluding applications that do not complete this section):

- Graduate in Biochemistry or related degrees.

- Training Course for Experimental Animal User Personnel for the Functions of Care, Euthanasia, Performance of Procedures, and Design of Projects and Procedures (functions a, b, c and d).

These requirements must be met at the beginning of participation in the program.

Context and tasks to be developed:

The selected person will join the Oxidative Stress Biochemistry group, within the research line “Nutrition, Metabolism and Cellular Stress” and will perform the following tasks:

- Technical support tasks aimed at characterizing the effect of frataxin protein mutations in a murine model.
- Image analysis (microscopy).

The selected person will join the Oxidative Stress Biochemistry group, for the research project with code PR00045, funded by the FARA “Friedreich's Ataxia Research Alliance”.

Desirable but not required/ Nice to have

Knowledge

- Adequacy of studies and training to the characteristics of the position.
- Academic record of official bachelor's and master's degree studies.

Experience

- Experience in animal handling.
- Experience in image analysis techniques.
- Experience in metal homeostasis in the context of neurological diseases.

Competencies

- Organisation
- Autonomy
- Proactivity

What we offer

- ✓ Indefinite contract for technical scientific activities, in accordance with the provisions of Article 23 of Law 17/2022, of September 5, which amends Law 14/2011, of June 1, on Science, Technology and Innovation.

The contractual modality is that of indefinite duration, with specific clauses linked to the financing of the project in accordance with art. 49 1.b) and art. and 52.e). of Royal Legislative Decree 2/2015, of 23 October, approving the revised text of the Workers' Statute Law.

- ✓ Immediate start.
- ✓ Full working day (37.5 hours per week).
- ✓ Remuneration: €22,169.70 gross per year.
- ✓ Activity funding: PR00045 Uncovering the function of a conserved site in eukaryotic frataxins, funded by the FARA "Friedereich's Ataxis Research Alliance.
- ✓ Contract duration: The project work program foresees personnel costs until 01/31/2025.

Why work with IRBLleida?

We provide a highly stimulating environment with state-of-the-art infrastructures.

We offer complementary training for all profiles. To consult our training and development portfolio, please visit our website in the training section.

We offer and promote a diverse and inclusive environment and welcomes applicants regardless of age, disability, gender, nationality, race, religion or sexual orientation.

Reconciliation of work and family life and the possibility of benefiting from flexible working hours. In addition, as a result of different company agreements, the following improvements are recognized:

- Paid leave to go to the doctor for personal health reasons.
- Paid leave to accompany a first-degree relative under 18 years of age, over 70 years of age or with first-degree disability to the doctor.
- Holidays that coincide with Saturday or Sunday are moved to the Monday immediately following.
- A special 6-hour working day is established on Holy Thursday, April 23, June 23, December 24, December 31 and January 5.

Documents and application deadline:

All applications must include:

- A motivation letter.
- Full curriculum vitae.

The deadline for submission will end on 12 December 2024 at 14.00 hours.

Those interested can apply for the offer by filling in the form (<https://www.irblleida.org/ca/job-application/>) and sending your CV and a cover letter, indicating the name of the offer for which you are applying and the reference 068 -24.

Selection process schedule for reference 068-24

Minimum 15 days	Publication and dissemination of the job offer: IRBLeida website, REGIC portal, social networks, other employment websites depending on the vacancy offered.
Next 2 working days	Transfer of the CVs to the Selection Committee
Next 5 working days	Meeting of the Selection Committee: <ul style="list-style-type: none"> - Interview of the pre-selected candidates - Evaluation of the candidates and meeting minutes certifying the candidate awarded with the position
Next 5 working days	Completion of the paperwork required to formalize the employment contract
Immediate	Approximate contract starting date

Express selection process

When an employee must be replaced urgently, for instance, to cover a sick leave, scientific reasons justifying the incorporation on a specific day, specification in a resolution, etc., an express selection process could be undertaken.

This selection process will follow the same procedure as the ordinary one, but the duration of several steps will be reduced, *i.e.* publication of the job offer, submission of applications, evaluation and selection process.

Regulation and normative principles

The contract will be in accordance with the provisions of **article 15 of Royal Legislative Decree 1/1995, of 24 March**, approving the text of the Workers' Statute Act, in accordance with the provisions of **article 2 of Royal Decree 2720/98, of 18 December (B.O.E. of 8 January 1999)**, **Law 12/2001, of 9 July (B.O.E. of 10 July)** and concordant provisions.

The principle of equality between men and women is taken into account, in accordance with Organic Law 3/2007, of 22 March, for the effective equality of women and men. IRBLeida has an Equal Opportunities Plan for men and women and a Protocol for the prevention and eradication of sexual harassment.

The principle to equal opportunities and treatment, as well as the real and effective exercise of rights by people with disabilities on equal terms with other citizens, through the promotion of personal autonomy, universal accessibility, access to employment, inclusion in the community and independent living and the eradication of any form of discrimination, in accordance with **articles 9.2, 10, 14 and 49 of the Spanish Constitution** and the International Convention on the Rights of Persons with Disabilities and the international treaties and agreements ratified by Spain, in accordance with the provisions of **Royal Legislative Decree 1/2013, of 29 November**.

IRBLeida is committed to the principles of merit-based recruitment and transparency (OTM-R) in accordance with the requirements of the HRS4 seal.

ANNEX I: SELECTION COMMITTEE

President	Sra. Eva López, Manager
Chairs	Dr. Jordi Tamarit, IRBLeida researcher
	Dr. Joaquim Ros, IRBLeida researcher
	Dra. Elisa Cabiscot, IRBLeida researcher
Secretaria	Sra. Elena Moscatel, People Department and Legal Manager

ANEX III. SCALE OF MERITS

Academic curriculum and complementary training	35 points
• Adequacy of studies and training to the characteristics of the position	15 points
• Academic transcripts of official bachelor's and master's degree studies	20 points
Accredited professional experience	45 points
• Experience in animal handling	15 points
• Experience in image analysis techniques	15 points
• Expertise in metal homeostasis in the context of neurological diseases.	15 points
Competency test or interview	20 points
• Criteria subject to a value judgment will be evaluated	20 points
Maximun score	100 points

Applications that do not exceed 50% of the maximum score will be rejected.

Informative clause on data protection

Responsible for processing

Identity: INSTITUT DE RECERCA BIOMÈDICA DE LLEIDA

TAX ID: G25314394

Postal address: Av. Alcalde Rovira Roure nº80, 25198, Lleida

E-mail: protecciodedades@irbllleida.cat

Purpose of data processing and conservation

At the INSTITUT DE RECERCA BIOMÈDICA DE LLEIDA (hereinafter referred to as IRBLLLEIDA) we process the information you provide as an interested party in order to manage the processing of your curriculum and application.

The data obtained will be kept for a period of up to 12 months, in order to collect future applications if these are not updated before or until there is opposition to their processing by the interested party.

Legitimacy for the processing of data

The legal basis for the processing of your data is the consent of the interested party when contacting the INSTITUT DE RECERCA BIOMÈDICA DE LLEIDA.

Addressees of your data

Your data will be communicated to third parties and collaborators related to the organisation. Apart from these entities, the data will not be communicated to third parties.

Rights of interested parties

The owners of the data processed by IRBLLLEIDA have the right at all times to access their data, rectify them, oppose their processing or delete them if they believe that they are no longer necessary for the purposes for which they were collected. Furthermore, if you wish, you may request the portability of your data and limitation of their processing. In this latter case, we will only keep them for the exercise or defence of claims. Likewise, you may revoke the consent given at any time.

To exercise these rights you may contact IRBLLLEIDA by e-mail at protecciodedades@irbllleida.cat. Likewise, if you consider that your rights have been violated, you may lodge a complaint with the Catalan Data Protection Authority.
